

All Purpose Wipes

MATERIALS NEEDED

- 2 cups of warm water
- 1 tablespoon dish soap
- 1 roll of paper towels
- 1 cup rubbing alcohol--at least 70% (90% is better)
- 10 drops essential oil (optional)

INSTRUCTIONS

Mix together water, soap, alcohol, and essential oil (if using) together. Place paper towels in a sealable container and pour mixture over paper towels. Cover container and then allow paper towels to soak up liquid. Use as desired.
